Dearest Wife:

I have not written to you for two or three days. Have always been busy during the day and at night time we were with the Capitol Commission or at Nagles' house so I did not get time to write, but am sorry for and will try and be a little more prompt after this. George came Tuesday night and was very glad to see some one from Sandusky. Mr. Filbys son is out here too and seems to like it very well. The towels you sent me are very nice and so is the comb & brush for which I am ever so much obliged. George sleeps on the top bunk in our castle, I will close and write you more news tomorrow night

Yours as ever

George & I were off every night and was kept very busy. It is twelve oclock now, and just came home from Mr Nagles. Sunday Mrs Nagle & I were out to the Herferd ranch all day and had a grand time & wished you were here very much.. Sunday morning just as I was going to Nagles I met Wm Booth the young man that goes with the Cunningham girl or use to go with her he is working here in a printing office and was much surprised to see some one on Sandusky

We are having very nice weather and am beginning to like this place very much. when you come I think you will have to move out here I think you will like it very much after you get acquainted

Having no news of any importance I will close hoping to hear from you that you are all well which I am the same. Manny kisses to you and regards to all the rest.

Dearest Wife:

I received your letter of Saturday and was very glad to hear from you we are all right and there is no use in fretting we have been very busy and did not have time to write more. What George's wife told you about George saying about domming out here is a lie I told him about it and he said it was not true, and today he asked me how it would be about you coming out, he said I should see about a room or a nice place to board then you could come out and stay two months. when he gets home tell him that one month or six weeks would be long enough for you to stay, and when you get out you can stay until I go home but tell him you must come out or I must come home I would rather have you come out think you will enjoy to see this country and it would do you considerable good how is it that I dont get many news papers? I feel lonesome without them It is raining very hard tonight, it is the first bit of rain that I saw in this country since I have been here. Having no news I will close hoping to hear from you soon  
Manny kisses to you & hope you are all well. I sent you a newspaper with building of Cheyenne in it.

Yours as ever,

Dearest Wife,

I received your letter of Monday 10th and was very Glad to hear from you. We are all well and hope this finds you the same. I am sorry that you are worrying so much, do you know when your father is coming back? if he stays very much longer you will have to come now for I can not stand it much longer without you, so you can make up your mind to come out soon if he does not come. The way George talks, his wife & my mother are very thick together again, if so I don't want you to have anything to do with them and beware of what you say to either of them. Many kisses to you
