Wednesday Night

Mrs. John A Feick  
Sandusky, Ohio  
Dearest Wife,

I received your letter of Sunday and was glad to hear you had such a good time. I had Mr. Nagle bothering me all day Sunday & half of the night talking house to me. Would like to have you out here when corner stone is laid, and about coming out so soon you must use your own judgement as I do not know how things are at home.

There will be no trouble if you come out alone if you take a sleeper in Chicago and from there to Cheyenne, you will find a very nice class of people in the sleeping cars, and the porter will give you all the information you will want. Having no news I will close hoping to hear from you soon.

Yours as ever,

John A Feick

Dearest Wife:

I received your letter & papers this evening and was very glad to hear from you. You may think that I have nothing to do but write large letters, I write large ones when ever I have time and about you coming out. I think I write enough. Of course you will have to know yourself when you will and can come out. I do not know how things go at home. You say the children make a fuss when you speak of coming out here, I knew & saw the days when they would make a fuss to get you out of the house so you cant go on that very much. Who diy(did) father sell Jimmey the Horse too? Having no news I will close hoping to here better news from you

Yours as ever

I received your letter and papers and was very glad to hear from you I was not feeling very well for the last two days. We had a terrible Snow storm last night and it is terrible cold today. We are going to have a grand time at the laying of the corner stone and wish you could come by the 18th of May, it will be something that you never see before the train is here and must get this mailed to go off

Yours as ever

Many Kisses to you & regards to all

Mrs. John A. Feick  
Sandusky Ohio  
Dearest Wife:

I received your letter and papers this evening and was very glad to hear from you. You always say in your letters "if you can stand it I can stand it", that is not the question, I can stand it if I have got too or anything else if it has to be, but the question is can you come out? if you can please do it without making any more such remarks. People here are going cracy over the corner stone they have collected \$1800.00 Dollars to lay it with, they are going to have a Barber Cue, that is something that you or I never saw in the East, perhaps you dont know what a Barber Cue is, if you dont I'll not tell you what it is until you come to see it. The People of Cheyenne have appointed me on two committees on Committee of arrangements, and on the Committee of receptions, so you see I don't belong to you common people in Ohio any more. Inclosed find notice they sent me, was to the meeting tonight and had quite a time. Mrs. Nagle & Mrs Wilcox expect to see you by the 18th of May 87 If you come out here and stay till fall you can vots, all women have the right to vote when in the Territory 3 months.

You can do as you have a mind to about going to see L Martin but if I was you I should not do it at the present for a good many reasons. If the boys and the other children do not care, I wish you would bring Alfred with you, speak to Chas & Joe about it I think it would do him considerable good. there are good & better Catholic schools here than there are in Ohio. Mr. Nagles little boy would like to have him come very much he has a very nice little poney & buggy and is just about Alfred's size, if he did not want to stay long he could go back by the first of Aug when Geroge or one of the Commissioners went East.

Return slip of paper inclosed and inclosed find \$10.00 Dollars and if you need any more you can ask father for it Having no more news and no more money I will close hoping to hear a favorable reply.

Yours as ever

John A. Feick

Many Kisses to you & Regards to all
