Saddle old Mike I tell you.

Saddle old Mike I tell you.
I'm goin' away to leave you.
I'm goin' back to Arkansas
To eat cornbread and possum

Note:
This is a fiddle tune.
Dulcimers cannot
slide from an
F-natural to an F#. So I
substituted an E for
the F-natural. Don't
linger on the E. You
can try a hammer-on
instead of a slide.
